2020-2030 VISION THEME:

“Cast The Nets”

OUR CAST THE NETS FOCUSES:

1. Being relentless about reaching people for Jesus.
2. Being fanatics about impacting the next generation.
3. Practical biblical teaching that inspires and empowers people to follow Jesus.
4. Producing, equipping, and sending leaders.

2020-2030 VISIONS

1. We are a church of active Christ Followers; there are no “Christians” simply by name at Relevant.
2. The people of Relevant are known by loving “just as” Jesus first loved us.
3. Every person from Relevant is impacting the world by reaching one person for Jesus every year.
4. Every student in the community has heard the Gospel, and been given at least three different opportunities to respond before they graduate high school.
5. 5000 people have put their faith in Jesus and been baptized through Relevant and other churches we helped start.
6. 4000 people are engaged in a winning Relevant small group in 2030.
7. Every leader at Relevant is a highly effective influencer.
8. Be a frontrunner in producing young leaders: (1) 500 students through our student leadership programs. (2) 100 college students through the Leadership Development Program and serving as influential leaders in Relevant or other churches because of it.
9. Start 10 churches: (1) 5 planted churches through Relevant’s Church Planter Residency. (2) 5 partner churches in unreached villages within Karen state of Burma.
10. All aspects and phases of The Relevant Center are complete, and we are debt free.
